KRISTI NOEM, Secretary of the United States Department of Homeland Security, et al.,

Defendants.

DECLARATION OF MARK SAUNDERS IN SUPPORT OF THE STATE DEFENDANTS' MOTION TO TRANSFER VENUE AND RESPONSE IN OPPOSITION TO PLAINTIFFS' RENEWED MOTION FOR PRELIMINARY INJUNCTION

- I, Mark Saunders, pursuant to 28 U.S.C. § 1746, hereby declare under penalty of perjury that the following is true and correct based upon my personal knowledge and review of the relevant records maintained in the ordinary course of business:
- 1. I am the Vice President of The Nakamoto Group, Inc. and work with the temporary immigration detention facility known as Alligator Alcatraz (the "Facility"). I make this declaration in support of Defendants Ron DeSantis, Kevin Guthrie, and the Florida Department of Emergency Management's (State Defendants) Motion to Transfer Venue and Response in Opposition to Plaintiffs' Renewed Motion for Preliminary Injunction. If called as a witness, I could and would competently testify to the matters set forth herein.
- 2. I have reviewed the Plaintiffs' Renewed Motion for Preliminary Injunction, including the declarations referenced therein, which contain inaccuracies and out-of-date

information. I am providing this Declaration to provide the true facts regarding detainees' access to counsel and the State Defendants' continued efforts to provide that access.

- 3. I oversee the Facility's operations regarding detainees' access to counsel, including the ongoing efforts in expanding access to counsel, both in person and virtually via video conferences.
- 4. The Facility opened and began accepting detainees on July 2, 2025, and staff immediately began working to coordinate and facilitate meetings between detainees and their legal counsel.
- 5. Attorneys can request and schedule a meeting with their detainee clients by sending an email to the Facility's legal inbox.
- 6. Upon opening, however, it took time for contractors to build up the infrastructure and install the equipment needed for these meetings. Those issues have been resolved.
- 7. Indeed, Facility staff did not obtain access to the Facility's legal inbox used to coordinate and schedule meetings between detainees and their counsel until July 10, 2025. Once it had access, Facility staff investigated and determined that there were no direct e-mails regarding visitation sent to the inbox address (legal@privacy6.com) between July 3 and July 10, 2025. Staff were forwarded five e-mails that were sent directly to the Florida Division of Emergency Management, but only one of those five dealt with legal access for detainees. Staff responded to that e-mail, which was sent by Katherine Blakenship, counsel for Plaintiff Michael Borrego Fernandez, and scheduled a visit for Mr. Borrego. Copies of those five email chains are attached as **Exhibits 1-5** to this declaration.
- 8. The legal inbox is monitored by three (3) officials who review and respond to scheduling requests in the order they are received.

- 9. Facility staff make their best efforts to address or at least respond to scheduling requests within 24 hours.
- 10. Once Facility staff respond to a scheduling request, counsel are typically able to meet with their clients within 24 hours for virtual meetings, and within 24 hours for in-person meetings.
- 11. The State requires minimal information from attorneys to request and schedule meetings.
- 12. Once an attorney emails the Facility's legal inbox to request a client meeting, Facility officials provide the attorney a Legal Counsel Visitation Request Form ("Visitation Form") and a Department of Homeland Security Form G-28 ("G-28 Form"). Copies of both forms are attached to this declaration as **Exhibits 6** and **7**.
- 13. The Visitation Form only requires basic information such as the attorney's name, bar number, and contact information, the client's name and detainee number, the requested date and time of the meeting, and purpose of the meeting. The G-28 Form is similar to the Visitation Form and asks for additional information about the attorney, contact information for the detainee, and the client's consent to be represented by that attorney.
- 14. The purpose of the forms is, in part, to ensure that detainees are meeting with licensed attorneys serving as their counsel in an effort to prevent non-attorneys from taking advantage of the detainees. This restriction thereby serves to protect the interests of detainees and also ensure that visitors with ulterior motives cannot access the Facility and potentially harm staff or detainees.

¹ The G-28 Form is not required for pre-representational meetings with prospective clients.

- 15. The Facility imposes modest restrictions on meetings between detainees and counsel, including: requiring attorneys to fill out the aforementioned forms before scheduling a meeting with a detainee, placing cameras and staff in or around the video conference and in-person meeting rooms, and limiting the number of simultaneous meetings.
- 16. The Facility imposes these restrictions to ensure the safety of Facility staff and the detainees.
- 17. Once counsel fill out and return the Visitation Form and G-28 Form, they may request a meeting with a detainee via video conference or in person.
- 18. Facility staff honor counsel's request and work with them to find a mutually convenient time for a meeting.
- 19. The Facility schedules meetings between detainees and their attorneys because there is finite space and to ensure that staff can monitor and protect all visitors in the Facility at all times.
- 20. Facility staff attempted the first videoconference meeting between detainees and their counsel on July 12, 2025 two days after obtaining access to the legal inbox. It was not successful due to poor weather, noise, and a weak internet signal.
- 21. Occasionally, due to poor weather, internet service issues, or operational delays, a visit may be rescheduled to a later time or date.
- 22. Facility staff promptly addressed those issues and facilitated the first successful videoconference between detainees and legal counsel on July 15, 2025.
- 23. Since then, video conference meetings have been available and have occurred nearly every day, other than Sundays. And Facility staff continue to monitor the necessary equipment and resolve any lingering issues to ensure continued access. Under urgent

circumstances, meetings can be conducted on Sundays and holidays. To date, there have been no special requests for a Sunday meeting.

- 24. Indeed, since holding the first video conference meetings, Facility staff have scheduled the meetings as soon as reasonably possible after each request and have not denied a single request by detainees or their counsel for a meeting via videoconference. And no detainees or their counsel have expressed an issue with any aspect of the meetings to Facility staff.
- 25. When it is time for the videoconference, Facility staff escort the detainee to an enclosed area that provides visual, but not auditory, observation with two (2) computers set up for videoconferences. Facility staff provide the detainee's counsel a Zoom link to the videoconference via e-mail.
- 26. Detainees log onto the Zoom application and use over-the-ear headphones to conduct the videoconference with their counsel.
- 27. The private meeting room is away from other detainees and allows for confidential meetings with counsel.
- 28. The detainee is provided with a laptop and over-ear headphones so that only the detainee can hear and see their counsel.
- 29. Facility security staff are present just outside of the enclosure during a video conference meeting, but they are stationed out of hearing range and are unable to see the laptop screen.
- 30. The video conference meetings are not recorded or transcribed. There are cameras monitoring the area, but they do not record audio or capture images on the computer screen to maintain confidentiality for the detainee.

- 31. The Facility installed cameras in the area where the videoconferences are held, and posts staff in the area during the videoconferences, to monitor the detainees and protect the safety of Facility staff and detainees.
- 32. To date, no detainees or their counsel have raised a complaint to Facility officials regarding the video conference equipment, location, or privacy.
- 33. In fact, although any counsel may schedule an in-person meeting with their client at the Facility, many often elect to meet via video conference. Examples of correspondence from counsel electing to use video conference instead of visiting the Facility in person are attached hereto as **Exhibit 8**. Since the onset of in-person legal visits, video visit requests have outnumbered in-person legal visit request by a factor of four-to-one.
- 34. Interpreters are also permitted to participate in the video conference meetings after receiving permission from the detainee and the detainee's counsel. Facility staff provide the interpreter the link for the videoconference via e-mail
- 35. The Facility can currently support two (2) simultaneous video conference meetings and approximately twenty (20) video conference meetings per day, and that capacity is increasing as the Facility procures and brings more equipment online. To date, there has not been a visitation day when twenty video conference meetings were requested.
- 36. Similar to the video meetings, the Facility did not initially have the infrastructure and space to hold secure, in-person meetings between detainees and their counsel until July 28, 2025. On that day, the first in-person meetings between five detainees and their respective counsel were held at the Facility.
- 37. As with videoconferences, since the first in-person meeting was held on July 28, 2025, Facility staff have not denied a single request by detainees or their counsel for an in-person

meeting. And the meetings have occurred as soon as reasonably possible after the request. Examples of communications between attorneys and Facility officials scheduling meetings with counsel are attached hereto as **Exhibit 9**.

- 38. Approximately forty (40) in-person meetings can be held per day at the Facility, and more in-person meetings will be possible as additional capacity is constructed to allow for additional meetings.
- 39. After arriving at the Facility, visiting attorneys undergo security screening before entering. Facility security staff perform a basic pat-down and inspect the attorneys' personal belongings for contraband. Staff does not read any documents or inspect any electronic devices in the attorneys' possession. The Facility imposes these security measures to prevent contraband from entering the Facility and thereby protect the safety of detainees and staff.
- 40. After his attorney arrives at the Facility for an in-person meeting, Facility staff escort the detainee to a private area for his meeting.
- 41. The meeting area is away from other detainees and fully enclosed to allow for confidential meetings with attorneys.
- 42. Facility security staff remain in the area during the meeting to monitor the detainee, but they are out of hearing range and cannot see the contents of any documents being exchanged between the detainee and his attorney.
- 43. The Facility has security cameras in the area to monitor the detainees, but the cameras do not record audio and cannot see the contents of any documents being exchanged.
- 44. Security cameras are in place in the meeting areas to monitor detainees and attorneys for the safety of the attorney, staff, and other detainees who may be visiting nearby with their attorneys.

- 45. Attorneys may share and exchange documents with the detainees during the inperson meetings. Detainees may keep these documents for personal use. If the documents are too voluminous for the detainee to keep within their holding cell, the documents are stored within the detainee's property and accessible upon request. *See* Section G(9) of the Facility Visitation Policy (the "Visitation Policy"), attached hereto as **Exhibit 10**.
- 46. Attorneys may also bring an interpreter to the meeting. Interpreters undergo the same security screening as visiting attorneys.
- 47. Since the first in-person meetings, the Facility has held 68 meetings. In-person meetings are available to be held every day other than Sundays, and may be held on Sundays as well, to address a special situation. If no meetings are conducted on a particular day, that is because there were no requests or scheduled meetings for that day.
- 48. The Facility has not rejected a single request for an in-person meeting since the meetings began.
- 49. To date, no detainee or attorney has raised an issue with any aspect of the in-person meetings to Facility staff.
- 50. The Facility remains prepared and committed to approving and facilitating every meeting request.
- 51. Currently, the Facility has sufficient space to hold four (4) simultaneous in-person meetings.
- 52. The State Defendants anticipate the number of requests for in-person meetings will increase as the number of detainees at the Facility increases

- 53. The State Defendants have constructed additional facilities with permanent structures for secure and confidential meetings between detainees and their attorneys that became available for use on August 7, 2025.
- 54. Currently, counsel may deliver documents to detainees via a courier service. Security staff inspect the documents for contraband pursuant to the Visitation Policy, but do not read or inspect the contents. Their contents remain confidential. Several attorneys have emailed documents to the legal inbox and asked for Facility staff to have the detainee review and sign. Facility staff presents the documents to the detainee, and the detainee signs if they wish. The documents are then scanned and returned to the attorney via email. Staff are prohibited from reading these documents.
- 55. The State is working diligently to establish postal services at the Facility to provide detainees with an additional avenue for corresponding with their counsel.
- 56. The State remains committed to expanding facilities and procuring and installing additional equipment as necessary to allow all detainees at the Facility access to video conference and in-person meetings with their counsel.
 - 57. Currently, there is not a backlog of unaddressed meeting requests.
- 58. The State is prepared to expend additional resources and assign additional personnel to monitoring the legal inbox and coordinating meetings with counsel as the number of detainees and meeting requests increases.
- 59. The State anticipates that requests for meetings with counsel, both video and in person, will increase as the Facility continues to hold more detainees. To meet this increased demand for meetings, the State will continue its efforts to increase the Facility's meeting capacity and is prepared to meet all meeting requests that comply with Facility procedures

- 60. Counsel for the State Defendants contacted Plaintiffs' counsel on August 1, 2025, to ask about the status of individual Plaintiffs' requests to meet with their attorneys and to offer to facilitate the process. A copy of this correspondence is attached as **Exhibit 11**.
- 61. Counsel for the State Defendants asked Plaintiffs' counsel how many individual Plaintiffs have requested a meeting with their attorney, which Plaintiffs have not met with their attorneys but would like to, and which of the Plaintiffs that have a videoconference scheduled would prefer to have an in-person meeting. *See* Exhibit 11.
- 62. Plaintiffs' counsel responded with a letter on August 5, 2025. A copy of the letter is attached as **Exhibit 12**. Plaintiffs' counsel allege in the letter that seven of the individual Plaintiffs "have not received any meetings arranged by the facility with counsel while detained at Alligator Alcatraz." *Id.* Those are: C.M., E.R., Gonzalo Almanza Valdes, G.T.C., F.B., A.S., and R.P. *Id.* And they request that the State Defendants arrange a virtual meeting with counsel for F.B., R.P., Gonzalo Almanza Valdes, and N.M.B., as well as an in-person meeting for three of those four: Gonzalo Almanza Valdes, R.P., and N.M.B. *Id.*
- 63. Based on my review of the communications in the Facility's legal inbox, as of August 6, 2025, counsel for six of the twelve (6/12) individual Plaintiffs had requested either virtual or in-person meetings, and all requests were granted:
 - a. Counsel for Plaintiff N.M.B. requested via email an in-person meeting on July 14, 2025, after previously emailing an incorrect legal inbox address. A video meeting was scheduled for 7:30 pm that same day, but internet outages prevented the meeting from proceeding. The video meeting was rescheduled to 11:30 am on July 15, 2025, and was successful. A second video meeting successfully occurred on July 26, 2025, at 2:00 pm.

- b. Counsel for Plaintiff G.M.S.G. requested via email a video meeting on July 16, 2025. The video meeting successfully occurred on July 25, 2025, at 10:00 am.
- c. Counsel for Plaintiff J.M.C. requested via email a video meeting on July 14,
 2025. The video meeting successfully occurred on July 18, 2025, at 2:30 pm.
 Counsel did not request an in-person meeting.
- d. Counsel for Plaintiff Michael Borrego Fernandez ("Borrego") sent the Facility an email on July 14, 2025, after coming to the Facility without an appointment or approval. She was denied entrance and subsequently advised on how to schedule a video meeting. After additional emails, video meetings were scheduled and occurred on July 21, 22, and 23, 2025. Facility staff also offered Borrego's other counsel video meetings on July 31 and August 1, 2025, and an in-person meeting on August 4, 2025, with no response from counsel.
- e. Counsel for Plaintiff Gustavo Adolfo Lopez Hernandez requested via email a video meeting on July 23, 2025. After an email exchange regarding the required forms and availability, the video meeting successfully occurred on July 29, 2025.
- f. Counsel for Plaintiff Gonzalo Almanza Valdes sent the Facility an e-mail requesting an in-person meeting and the details for the DHS attorney handling his case. The Facility responded by directing her to the ICE Miami Field Office and scheduling an in-person visit for August 15, 2025.
- 64. As of August 6, 2025, counsel for the remaining six of the twelve (6/12) individual Plaintiffs had not requested a meeting with their counsel:

- a. Counsel for Plaintiffs R.P., F.B., G.T.C., and C.M. have not e-mailed the legal inbox to request a meeting with these detainees.
- b. Counsel for Plaintiff A.S. contacted the legal inbox requesting his immediate release and to speak to his "handling officer," but did not request a meeting.
 Facility staff directed him to ICE's Miami Field Office.
- c. Counsel for Plaintiff E.R. requested via email a meeting with E.R. and another detainee on July 10, 2025. This request was unanswered, as it was made before the legal inbox issues were resolved. Counsel sent a second request on July 15, 2025. Counsel submitted a Visitation Form and G-28 Form and had a video meeting with another detainee. Counsel did not subsequently request a meeting with E.R. Counsel did not request in-person meetings for any detainees.
- 65. In other words, all of the individual Plaintiffs that have requested a meeting, have received at least one meeting or have a meeting scheduled. Those that have not received a meeting never asked for one.

In accordance with President Trump's January 20, 2025 executive order, and with limited exceptions, all aliens 14 years of age or older who were not fingerprinted or registered when applying for a U.S. visa and who remain in the United States for 30 days or longer, must apply for registration and fingerprinting. Similarly, parents and guardians must ensure that their children below the age of 14 are registered. Within 30 days of reaching his or her 14th birthday, the previously registered alien child must apply for re-registration and to be fingerprinted. Once an alien has registered and appeared for fingerprinting (unless waived), DHS will issue evidence of registration, which aliens over the age of 18 must carry and keep in their possession at all times. It is the legal obligation of all unregistered aliens (or previously registered children who turn 14 years old) in the United States to comply with these requirements. Failure to comply will result in criminal and civil penalties, up to and including misdemeanor prosecution and the payment of fines. For more information visit: Alien Registration Requirement | USCIS or contact our offices. Please note that this firm will charge a fee for any assistance in registering.

EFFECTIVE APRIL 1ST 2024 ANY AND ALL FILING FEES WILL BE INCREASED ACCORDING TO USCIS. YOU WILL RECEIVE AN ADDITIONAL INVOICE REFLECTING SAME.

Dear Counsel:

If you forward the G28 with your information on it, we can ask the detainee to sign it and return it to you. Also, submit a completed legal counsel visitation form (attached) and we can schedule an in-person visit or a video visit, as you prefer. The legal counsel visitation form asks for times and dates for your visit request. The more options you provide, the better we can accommodate.

Respectfully,

Subject: RE: SILVA-ARZUAGA, Julio Adrian A#243-013-756 / Visitation Request

Dear Officer.

I hope this message finds you well.

As stated in our previous email, our client, **Julio Adrian Silva-Arzuaga (A243-013-756)**, does not appear in the ICE Online Detainee Locator System, and consequently, there is no corresponding ERO file available.

However, Mr. Silva-Arzuaga has remained in ICE custody since late June.

Due to the lack of official registration in the system, it has been impossible to obtain a signed Form G-28 from him. We respectfully note that the respondent is an applicant for Adjustment of

Case 1:25-cv-23182-RAR Document 57 Entered on FLSD Docket 08/08/2025 Page 52 of 283

Status and was detained solely for not being in physical possession of his Employment Authorization Document at the time of apprehension.

To date, we have submitted several emails on his behalf, including a **Pre-NTA Parole Request**, but have not received any response.

We urgently request that you provide guidance on how we can schedule a legal meeting with our client under these circumstances. Please advise if there is an alternative method to facilitate privileged legal access.

Thank you for your attention to this matter. We look forward to your prompt response. Sincerely,

Gabriela Chacon

Please find attached a copy of the mail that my office attempted to send to Mr. Campbell at the Santa Rosa County jail.

A written response is needed from Mr. Campbell.

Should I except that response by USPS (the court's address is First District Court of Appeal, 2000 Drayton Drive, Tallahassee Florida 32399) or via email? Typically, the First District does not accept filings by email, but if it needs to be that way, I will make an exception for this unusual circumstance.

Thank you for your help, Kristina

Good afternoon Ms. Houp,

I am the Clerk of Court at the First District Court of Appeal in Tallahassee, Florida. I realize you are probably not the right person to ask but I'm hoping you can point me in the right direction.

I am told that an appellant with a pending appeal here as been relocated to the new detention facility in Everglades. I need to send legal mail to this person. Is there a procedure for such legal mail? Do I send it to the airport address? Is there someone at the facility that I should contact?

Thank you for any information you can provide,

Kristina Samuels

Hello,

My cell phone is 806-367-0404. My partner's phone number is 305-842-7005.

I have been attempting to contact this email for days and have continued to get a "bounce back" until now. I kept screenshots of each bounce back. Please let me know if you'd like them for your records so you can improve your communication systems.

We would like to request a virtual appointment with our client this evening. Please provide a time and link to this appointment. We would also like to request an in-person appointment tomorrow. Due to the sensitive nature of this case, it is vital that we are able to gain access to our client.

In addition, my partner and supervising attorney were told today that your facility is run by the FDC and that the attorneys needed to be registered in order to gain access. When I called the FDC, they stated that they had no affiliation with your facility and were very confused about what registration your officer was referring to. Can you please clarify this and provide a link to any registration required in advance?

Thank you for working with us,

Thank you, Victoria Slatton Partner

I need to arrange visit as well. I could not get any information pertaining to my client who is detained there and I want to know how to communicate with him. If you can set up an appointment then that would be great.

Enclosed is a G-28 that I filed via the ERO website. My client is detained at Alligator Alicatraz and I would like to know how to get in contact with him. My client would like a credible fear interview b/c he was in removal proceedings for his asylum application that has been pending for several years. If he was placed in expedited removal proceedings, we want to request a credible fear interview for Mr. Gonzalez Hernandez.

Good afternoon,

Once again, I am attempting to make contact with someone regarding this legal matter.

My client has been detained at Alligator Alcatraz since 07/16/2025.

My client should be held at this facility. He is not a candidate for detention at Alligator Alcatraz as this facility was intended for detainees with criminal records, detainees without ongoing Removal Proceedings, and that are scheduled to be deported shortly.

Mr. Rocha does not fall under any of those categories.

about:blank 1/3

Mr. Rocha has been denied his daily medication of Vemlidy 25mg, prescribed by his primary physician, since his internment. Moreover, he has been denied the opportunity to meet with his attorney retained to represent him in his bond hearing and removal proceedings. Attempts to contact officials via phone calls and e-mails have gone unanswered. I traveled to the facility on 07/26 and was turned away by the national guardsmen at the checkpoint.

I am requesting that Mr. Rocha be transferred to Krome as that is the appropriate place for him to be held.

I am also requesting the opportunity to confer with Mr. Rocha via a telephone call. He has a bond hearing and a master hearing scheduled at Krome.

This is the appropriate place where my client should be held.

This message is of the utmost importance. A response would be appreciated.

The client's information is the same as that referenced in the subject line:

Name: Freddy Antonio Rocha

If he is being detained at this facility, I wish to schedule an interview with this client as soon as possible. He has an upcoming master scheduled for 07/23/25 at 1:00 PM.

My G-28 is registered with the ERO portal.

Please find attached the required documents and information to request a legal visitation with my client ASAP.

Any further guidance would be appreciated. Thank you.

Dear Officer.

I hope this message finds you well.

As stated in our previous email, our client, **Julio Adrian Silva-Arzuaga (A243-013-756)**, does not appear in the ICE Online Detainee Locator System, and consequently, there is no corresponding ERO file available.

However, Mr. Silva-Arzuaga has remained in ICE custody since late June.

Due to the lack of official registration in the system, it has been impossible to obtain a signed Form G-28 from him. We respectfully note that the respondent is an applicant for Adjustment of

Status and was detained solely for not being in physical possession of his Employment Authorization Document at the time of apprehension.

To date, we have submitted several emails on his behalf, including a **Pre-NTA Parole Request**, but have not received any response.

We urgently request that you provide guidance on how we can schedule a legal meeting with our client under these circumstances. Please advise if there is an alternative method to facilitate privileged legal access.

Thank you for your attention to this matter. We look forward to your prompt response. Sincerely,

Dear Counsel:

Apologies for the inconvenience with this morning's video conference. I checked with the facility, and they confirmed that the detainee was at the call, waiting your connection. We are recognizing that there is a breakdown and are attempting to pinpoint exactly why the connections are not working.

If you wish, we can reschedule your visit to Wednesday, July 30th at 3pm or Thursday, July 31st at 9, 10, 11 or 2:30.

Please let me know if any of these times work for you and the more options you supply, the better we can accommodate. The visitation slots are assigned on a first come first serve basis.

Respectfully,

Southern Detention Coordination Team

Good afternoon,

I urgently need to correct and address a serious issue that occurred today. I joined the Zoom link that was provided to me and remained in the meeting room from 11:00 a.m. to 12:00 p.m. as scheduled, in order to speak with my client. During that one hour period, I sent **three separate emails** between 11:00 a.m. and 12:00 p.m. confirming my attendance and attempting to communicate the issue.

I have now been informed that the detention center is claiming to have contacted our office by phone three times. This is simply not true. All incoming calls during business hours from 10:00 a.m. to 6:00 p.m. are answered, and no such calls were received.

Regardless, the meeting was scheduled via **Zoom**, not by telephone. This issue interfered with my client's legal representation and caused a significant delay in communication.

Per the email sent to our office from <u>legal@privacy6.com</u> on <u>Saturday, July 26, 2025 at 10:35 AM</u>, this is the zoom chat I entered where my client never appeared.

Good afternoon,

Re: Nelson Rosello Brito, A240060032

To confirm, we are urgently requesting a **Credible Fear Interview** as soon as possible. Mr. Nelson has a well-founded fear for his life should he be forced to return to Cuba. His situation is critical, and timely intervention is necessary to ensure his rights are protected. Nelson has timely filed an asylum application and patiently waited nearly three years to have his case heard

in court. Unfortunately, the Immigration Court dismissed removal proceedings before Nelson had the opportunity to present his case in court. Please assist us with this matter and schedule Nelson for a CREDIBLE FEAR INTERVIEW as soon as possible. Thank you.

For the **Attorney Visit**, please find attached my Florida Bar card, a G-28, and a completed Legal Visitation Form.

SOUTH DETENTION FACILITY

VISITATION POLICY

I. POLICY STATEMENT

The facility's visitation policy is designed to ensure that authorized persons have appropriate access to detainees within the facility's security, operational, and safety parameters. ICE/ERO's policy firmly supports visitation rights to maintain detainees' morale and preserve family, legal, and consular relationships.

The facility is responsible for facilitating detainees' private access to their legal representatives and assistants, as well as consular officials acting on behalf of detainees' countries. In coordination with ICE/ERO's public affairs objectives, the facility shall also allow authorized representatives of the news media and non-governmental organizations (NGOs) to access public information regarding the facility's operations, including tours and, with consent and permission, interviews with individual detainees.

Congressional visitation procedures and protocols can be found on ICE's official public website.

order, or during extraordinary circumstances such as emergency lockdowns or population surges.

II. STANDARDS AND PROCEDURES

A. General Visitation Procedures

The facility shall establish, maintain, and make available written visiting procedures and schedules that reflect the needs of detainees' families, including minors, friends, legal representatives, and consular officials. These procedures shall be periodically reviewed and updated to ensure alignment with ICE/ERO standards and operational capabilities. The facility shall prioritize contact visits when operationally feasible, recognizing the benefits for detainees' mental and emotional health. However, visitation may be temporarily restricted when necessary to ensure the facility's security, good

B. Visitor Notification and Information Access

The facility's detainee handbook shall include comprehensive visitation rules and schedules. These rules shall also be conspicuously posted in detainee housing units and common areas to ensure accessibility.

The facility shall ensure that visitation schedules, rules, and procedures are readily available to the public through multiple channels:

- The facility's website, if operational.
- Physical postings in the visitors' waiting area.
- Telephonic communication through a live operator or recorded message.

All forms of public communication shall include detailed descriptions of visitation categories, schedules, rules, and any temporary restrictions.

C. Visitor Logs and Record-Keeping

The facility shall maintain two distinct visitation logs: one for general visitors and one for legal visitors. These logs shall record all visits, including denied visits with documented reasons. The logs shall comply with local, state, and federal privacy and record-keeping policies, and be available for audit by ICE/ERO and authorized oversight bodies.

D. Incoming Property and Funds

The facility shall implement and publicize written procedures regarding the feet pt/, handling, and focumentation of property and funds brought in by visitors for detainees. Visitors may deposit money into detainees' accounts, and the facility shall provide a receipt for all deposits unless items are handed directly to detainees per policy allowances. Family visitors shall be permitted to bring detainees essential items such as legal documents, prescription eyewear, religious articles, reading materials, and wedding rings, subject to inspection and security screening.

E. Sanctions for Visitation Violations

The facility shall enforce visitation rules strictly. Any violation of visitation rules by detainees or visitors may result in disciplinary action against the detainee, including but not limited to the suspension or revocation of visitation privileges through the facility's formal disciplinary process.

The introduction of contraband via visitors or detainees shall be subject to criminal prosecution under applicable laws, potentially implicating both parties.

F. Visits by Family and Friends

1. Scheduling and Time Limitations

The facility shall develop visitation schedules tailored to the detainee population and visitation demand. Scheduled visitation hours shall include Saturdays, Sundays, and holidays. Recognizing that weekends and holidays may pose difficulties for some visitors, the facility shall authorize special visits as necessary to accommodate such needs. ICE/ERO encourages facilities to provide visiting hours on both weekend days for detainees and to accommodate visitors' scheduling requirements to the greatest extent practicable.

Visitation durations shall be specified within the facility's written rules, with a minimum standard of 30 minutes per visit under typical conditions. Facilities are encouraged to extend visitation durations when feasible, especially for visitors traveling significant distances. The facility retains discretion to modify visit lengths in unforeseen circumstances such as overcrowding.

Immediate family members detained in the same facility may visit each other during regular visiting hours without gender restrictions, where practicable.

For minors, if contact visitation is not standard, ICE/ERO shall arrange contact visits between detainees and their children, stepchildren, or foster children within the first 30 days of detention. Subsequent requests for transfer to facilities allowing such visitation shall be considered, and monthly contact visits shall continue until transfer approval.

2. Visitor Identification and Search Procedures

The facility shall verify the identity of each visitor prior to admission through valid government-issued photo identification (e.g., driver's license, passport). Adult visitors without positive identification shall be denied entry. The facility may require pat searches and visual inspections of all personal items, including purses, briefcases, and packages, to prevent contraband introduction. All cancellations of visits shall be documented with reasons and conform to facility policies.

3. Contact Visits and Strip Searches

Facilities allowing contact visits shall establish and maintain written procedures detailing the limits and conditions of such visits.

Strip searches after contact visits without reasonable suspicion are prohibited unless the facility offers detainees the option to choose non-contact visitation instead. Detainees shall be fully informed of this policy in a language or manner they understand. All strip searches conducted under such policies shall be logged and documented.

Case 1:25-cv-23182-RAR Document 57 Entered on FLSD Docket 08/08/2025 Page 274 of 283

4. Visits for Detainees in Administrative and Disciplinary Segregation

Facilities allowing contact visits shall permit segregated detainees to use the visiting rooms during normal visiting hours. Under no circumstances shall detainees participate in general visitation while restrained. Visits shall be denied if the detainee's behavior warrants restraints.

G. Visits by Legal Representatives and Legal Assistants

1. Visitation Rights

The facility shall allow detainees to meet privately with their current or prospective legal representatives and legal assistants during legal visitation hours.

2. Hours of Legal Visitation

Legal visits shall be permitted seven days per week, including holidays, with minimum visitation hours of eight hours on regular business days and four hours on weekends and holidays.

The facility shall facilitate consultation visits both face-to-face and via telephone.

3. Consultation Visitors

Visitors for consultation may include attorneys, legal representatives, assistants, NGO staff, family, and friends. All must undergo identification and security screening.

7. Documentation

Consultation visits shall be recorded in the legal visitation log.

8. Form G-28 Not Required

Visitors are not required to file Form G-28 to participate in consultation visits.

Counsel,

I am writing on behalf of the State Defendants to determine the status of Plaintiffs' requests for attorney meetings and whether we can facilitate the process.

As far as we can tell from the allegations in the Supplemental Complaint and Renewed Motion for Preliminary Injunction, none of the individual Plaintiffs have met with their attorneys, except possibly for Plaintiff Hernandez, whose attorney stated in his declaration that he had a videoconference meeting scheduled for 7/29. Declaration of Johan Gutierrez, 29-2, at ¶ 16.

Can you provide me with the names/initials of the Plaintiffs who have requested (or whose counsel has requested), but have not received, a meeting with counsel? Please also let us know the names/initials of individual Plaintiffs who (1) would like to meet with their counsel again, and those (2) who have secured a meeting via videoconference, but would prefer an in-person meeting with their counsel. Once we receive that information, we will work with staff at the Facility to ensure the meetings are scheduled as quickly as security conditions will allow.

Thank you and don't hesitate to call if you have any questions or would like to discuss further.

Sincerely,

Nick Meros
